Tax Deductions for Advertising and Promotional Expenses

By John Alan Cohan, Attorney at Law

Advertising and promotional expenses are usually deductible along with other ordinary and necessary expenses in horse and livestock activities operated as a business. Traditional print ads in magazines can be expensive, and must be repeated in order to be effective. Other modes of advertising, such as on the internet or word of mouth advertising, as well as participation in horse shows, are important as well.

In some cases, a horse or livestock activity can be used to promote a separate business or professional activity. The idea is to link one's separate business with the horse or livestock activity. Your business name will get exposure at various horse events, for instance, and this can be an effective way of reaching out to potential customers.

The most famous illustration of this is the Anhauser-Busch Company's use of the beautiful Clydesdale parade horse in Budweiser commercials and at horse shows. Another example was a Tax Court case in which the owner of a locksmith business claimed advertising deductions for his costs of maintaining Mardi Gras parade horses. He lost in Tax Court, however, because his business name was not even displayed on banners carried by this parade horses, and it was therefore hard to see how there was an advertising linkage in his business.

The classic case on this point is *Rodgers Dairy Co. vs. Commissioner* (14 T.C. 66). Rodgers Dairy Company owned a chain of restaurants in Pittsburgh. The company also bought several show horses, also for advertising purposes.

The horses were always shown by professional trainers. The company made sure its logo and blue and white color scheme that it used on its storefronts and on trucks, were used in the decoration of the stables, equipment and vehicles at the horse shows. Signs were

put in front of the stables disclosing that the company owned the horses; and horse show programs listed the company as owner of the horses. The horses won numerous ribbons and cups that were displayed on the walls of the company's offices.

Some of the horses were later sold at substantial profits, and stud fees were collected as well. The company deducted the expenses of maintaining, training and transporting the horses, as well as depreciation, and the costs of the two Russian wolfhounds. The IRS argued that the company purchased the animals primarily for the personal pleasure of the company's shareholder.

The company convinced the Tax Court that the sponsorship efforts helped attract new customers to its restaurant chain. The court ruled that the company acquire the animals for advertising purposes, that the costs involved were reasonable, and the company was entitled to claim the costs as advertising deductions.

This type of advertising expense is unusual, but proper so long as there is some straightforward advertising linkage to you trade or profession. The IRS will seek to argue that these payments are motivated primarily as a way of funding your favorite past time.

It is also important to keep a record of new clients or contracts that were generated from the promotional efforts for one's business or professional practice.

This type of advertising can be used in addition to more traditional advertising such as print ads, internet ads, and word of mouth efforts. ♦

TRIBAL GAL

Gate to wire victory in the ORANGE COUNTY STAKES, Los Alamitos, CA

Tribal Gal has had a fabulous 2014 racing season and recently won the \$75,000 Guaranteed Orange County Stakes at Los Alamitos. In June of this year she captured the \$100,000 Oak Tree Distaff in Pleasanton, California. She certainly has earned her way with lifetime earnings totaling \$321,755. Tribal Gal is recognized by the Arizona Thoroughbred Breeders Association (ATBA) as the most prominent Arizona-bred filly in our state. She was awarded Champion Three-year-old filly by the ATBA and Tribal Gal's dam Famous Gal achieved the 2013 Broodmare Award. John Pendergast is very pleased with his filly's performance and he will most likely be receiving another ATBA award for her 2014 racing achievements.

Tribal Gal is a dark bay or brown filly sired by Tribal Rule and is trained by R. Kory Owens, ridden to victory by Jockey Rafael Bejarano. She set the pace and gamely held off Maker or Breaker's inside late bid for the lead in a final time of 1:08.73 for 6 Furlongs. Tribal Gal was the odds on favorite to win Orange County Stakes and she achieved it by a 1/2 length margin with a gate to wire victory. Congratulations to all of Tribal Gal's connections!!

In the fillies division of the 2014 ATBA Fall Sales Stakes Futurity, Flying Fiona was a first time starter with morning line odds of 30-1. She looked very calm and confident in the post parade as she jogged down the backside to warm up for her race. Breaking from gate position nine, Flying Fiona raced mid pack down the backstretch stalking the leaders. Heading into the turn she raced six wide off the rail and rallied into fifth position. Racing into the homestretch Worthy Grapes sprinted to the lead and drew clear by a length passing the Eighth pole, she looked like a sure winner until Flying Fiona rolled in from the outside and closed in a driving finish under Jockey Dennis Collins, crushing Worthy Grapes by two lengths. Myrna Lou was the betting favorite and raced in second place down the backstretch, but tired in the final stretch drive. Worthy Grapes finished second and Libby finished third. The tote board was well lit by Flying Fiona's payoffs of \$65.20, \$30.20, \$12.20. It was an exciting race and a wonderful payoff for race fans. The fillies division purse was \$53,555.00. The winner's share was \$26,778.00 and the final time of the 6 furlong race was 1:12.33.

Best Asset kicked into high gear at the eighth pole and made a spectacular sprint to capture the lead from the odds on favorite Highway Boss. In an interview with owner Peggy Hopwood, she said she was thrilled to see her colt excel pass Highway Boss in the stretch. She remembers saying to her friend Gloria Andersen, “Let’s hope that Never Shamed speed finally shows up” ...and it did! Best Asset took the lead and won by a 2 1/4 length margin.

Best Asset had started 4 times in his short career and in his prior race at Canterbury Downs, he finished third in a maiden special weight. Peggy said, I knew he would come around eventually and it was really exciting to see him run in this race. When asked what’s next for Best Asset? She said, they are thinking about pointing him towards the Lost In The Fog Juvenile Stakes, which runs on December 27, 2014. He certainly has the speed and the heart of a winner as numerous fans and friends filled the winners circle sharing an exciting day at the races.

FLYING FIONA

ATBA Fall Sales Stakes (Fillies Division)

“She’s a very sweet filly, ...and now she’s going to be known as our flying filly”

Kim Oliver

In an interview with Kim Oliver, she said that Flying Fiona began spring training in Colorado. We were hoping to have her ready for the ATBA Spring Sales Stakes Futurity, but she shin bucked and so we had to give her some time off. I took her to California and she returned to training at San Luis Rey Downs. We knew she had speed when she was training in Colorado. She worked in company with an older horse going 3 furlongs in 36.00.

Since moving her to Turf Paradise to train, we were getting her ready for the ATBA Fall Sales Stakes. I knew she was fit, but she was a first time starter and sometimes they need a race. I wasn’t expecting very much from her, just a good learning experience. I just wanted her to relax, maybe take back off the pace and make a good run down the lane. And that she did!

I could see Flying Fiona racing wide on the turn, but she kept trying and came flying down the lane and drew clear late. “She’s a very sweet filly and now she will be known as our flying filly”

My Mom and Dad went to an off-track-betting (OTB) facility in Grand Junction, Colorado to watch her race. When I spoke with my Dad, he said, because Flying Fiona was 30-1 odds the OTB didn’t have enough money to cash his tickets! Needless to say they were really excited about her winning the futurity.

At the 2013 Yearling Sale, I went to look at her based on her pedigree. I liked that she had A.P. Indy on her topline and I remembered the dams sire Freespool won the \$75,000 Phoenix Gold Cup Handicap in 2001.

Flying Fiona was bred in California by Megan Stiehr. Kim said, the consignor Michael Steihr of Ransom Ranch called to congratulate her. The Stiehr's will be receiving a \$5,355 check for having her in their consignment at the 2013 ATBA Fall Yearling Sale.

Flying Fiona is sired by Quasimodo out of Free to Fire, by Freespool and was a \$2,500 yearling purchase.

A.T.B.A. 2014 Fall Yearling & Mixed Sale

The Arizona Thoroughbred Breeders Association cataloged 70 yearlings, 3 racing age horses, 1 weanling and 2 broodmare's. There was something for everyone to purchase at this years sale. Fleming Thoroughbred Farm, LLC consigned Hip# 91 a weanling filly by leading Arizona sire Margie's Wildcat out of Oklahoma Morn. The weanling named "Running for Annie" sold for \$3,700 to Gary Zimblar. The chestnut filly was named in honor of Jockey Anne Von Rosen, who was injured at Turf Paradise when the horse that she rode was pulling up after a race and collapsed on top of her. The accident left Von Rosen paralyzed from the waist down, but she is currently enduring therapy to hopefully walk again. Sale proceeds of Hip# 91 "Running for Annie" will be donated to Von Rosen's medical fund as well as another generous donation from H & E Ranch.

The weather was picture perfect as prospective buyers inspected the yearlings and consulted with consignors. The ATBA catalog contained many quality horses and although there were less for sale this year, the buyers found value in the pedigrees and the yearlings sold for good prices.

The highest priced yearling sold was Hip #43, a bay colt, consigned by H & E Ranch. The colt is sired by Haynesfield (by Speightstown) out of Company Storm (by Storm Creek). Robert & Mary Ellen McKee purchased the athletic looking colt for \$62,000. He will have a nice home at their Hidden Springs Ranch as he begins training as a two-year old. We are looking forward to seeing him race in the ATBA Spring Sales Futurity. The McKee's have named him Haynes County.

H & E Ranch also sold Hip# 29, a chestnut colt by Orientate out of Autumn Wedding. He was purchased by

Hip Number 78, Chestnut Filly by City Zip out of Shop for Gold Consigned by Fleming Thoroughbred Farm, LLC

Curt and Lila Lanning, LLC for \$40,000. The Lanning's purchased the half-sister named Wedding Blush at last years sale and have had great success racing in northern California. Wedding Blush recently place 2nd in the Pike's Place Dancer Stakes at Golden Gate and has 5 starts with 3 wins in her two-year old year racing season with earnings of \$83,500.

Mark Breen purchased two yearlings from our sale this year Hip#21 a bay filly named Tiz a Voom sired by TizBud out of Vee Voom for \$36,000 and Hip#75 a gray filly by EZ Dreamer out of Sarah In Charge for \$33,000. Both fillies had athletic confirmations and attractive pedigree pages to match their looks.

Ken Person signed for Hip#36 a colt by Flashy Bull out of Burst of Autumn for \$6,000. Burst of Autumn has had two black type Arizona bred foals, a filly named Lucky Autumn and a colt named One Call. One Call has won six races on the turf and is a multiple stakes winner in Arizona with earnings of \$173,522.

Track Talk

A Horsemen's meeting was held on October 29th with **HBPA**, **ADOR** and Management. They welcomed everyone back and **ADOR** reviewed the new medication rule changes. Mr. Simms spoke of health care benefits for backside workers that earn less than \$17,000 per year. These folks would be eligible for free health care through the ObamaCare program.

Once again, the shortage of horses is a dilemma for entries at the start of the **Turf Paradise** 2014-2015 meet, but the backside stalls are now being filled with horses arriving from Canada, Minnesota and Idaho, etc.

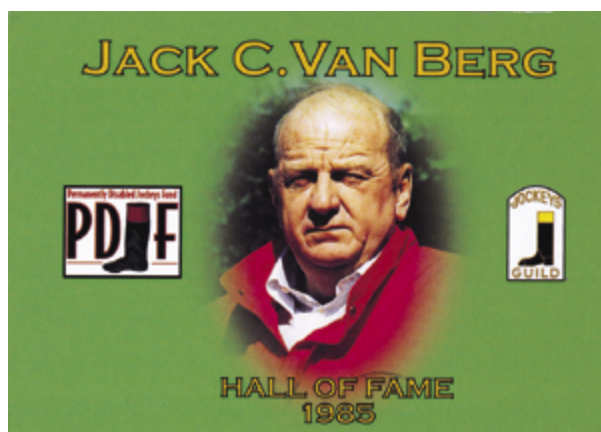

HBPA honored Hall of Fame Trainer **Jack Van Berg**, with the naming of a race, in which Jack made the winner's circle presentation. Van Berg was at the races autographing his book. A biography about his lifetime of mentoring, dedication and perseverance in the horse racing industry. The book is titled **JACK from Grit to Glory**. Van Berg is an American Horse Racing Legend. The author of his book is Chis Kotulak. A great gift for any racing enthusiast to read or to have on your own Christmas list.

Trainer **Robertino Diodoro** has taken a tremendous lead in the Trainer Standings by 45 wins over Dan

McFarlane second in the standings with 11 wins.

The current leading owner is Charles Garvey and the leading jockey is Geovanni Franco with 26 wins. Just a few ahead of Jockey Scott Stevens in second place with 22 wins.

A few local owners and trainers

decided to take a shot with their horses at The Breeders' Cup Championships held at Santa Anita this year.

Trainer Greg Tracy took **Blue Dancer** to race in the Sentient Jet Breeders' Cup Juvenile (G1) \$2 Million Guaranteed. Robertino Diodoro saddled **Broadway Empire** in the \$100,000 Damascus Stakes and **Patriots Rule** in the \$200,000 Guaranteed (G2) Twilight Derby.

Griffin Thoroughbred Stables raced **Mischief Clem** who finished third in the Golden State Juvenile Stakes

\$200,000 Guaranteed.

We had another successful **ATBA Fall Yearling and Mixed Sale** at Westworld in Scottsdale. Our Sale Topper sold for \$62,000, purchased by Bob & Mary Ellen McKee. Many Thanks to our Consignors and Buyers!

Jockey Anne Von Rosen made a surprise visit to Turf Paradise and was in the winners circle presentation with Trainer Mike Chambers. Mike & Eileen Chambers welcomed Anne home.

HBPA and Turf Paradise sponsored the Horsemen's Thanksgiving Dinner this year. It was held in the Clubhouse at Turf Paradise from 11:00 am to 2:00 pm. All licensees were welcome.

AQRA held their Annual Golf Tournament. The shoot out winners were Drew Fulmer, Troy Bainum, Jared Brown and Mike Chambers.

Rillito Park is a historical landmark for horse racing. The new lessee of the property have applied for a racing permit and the ADOR has granted them a temporary permit for 20 days of racing in 2015.

It's time for the **ATBA** Board of Directors Election for 2015. **Members** be sure to cast your ballots prior to December 31, 2014.

ADOR update on Advance Deposit Wagering (ADW). Applications for provider's such as Xpressbet, Twin Spires, TVG, etc., can be found on the Department of Racing website. Once applications have been approved by ADOR, advance deposit wagering accounts will be available to be opened by patrons. ADOR hopes to have these applications processed by January. ADOR will hold a special commission meeting to announce which companies have applied and how long the process will take to be finalized.

Christmas is around the corner and the Race Track Chaplaincy (RTCA) is welcoming any donations to help our backside workers for the holiday. They are accepting gift cards, money, socks, and hygiene products.

The backside Kitchen will be closed on Christmas Eve and Christmas Day

and the RTCA is hoping to collect enough money to buy \$5 gift cards from McDonalds to give to our backside workers. Any help or donations will be greatly appreciated. Please contact Chaplain, John Shumaker, Loretta Brasher AQRA or Wendy Hobson HBPA. Wishing you all a Joyous Season!

Gene Fleming has been inducted into the Arizona Farming & Ranching Hall of Fame this year. Gene was a longtime member of the ATBA and served in every officer's position. His legacy for serving the ATBA is now carried on by his son Marvin Fleming and granddaughter Wende Macumber, who is currently serving as Secretary/Treasurer. Congratulations to the Fleming Family!

Turf Paradise Jockey Rodolfo Arvizu was honored at the Derby Restaurant in Arcadia, California, by the RTCA.

Rodolfo received the 12th White Horse Award presented by Chaplain John Shumaker. The award was first given in 2003, to recognize an individual who displays something heroic towards a human or a horse. The RTCA presents it to unsung heroes of horse racing.

Rodolpho Arvizu is the rider that jumped from his own horse to help injured rider Anne Von Rosen. She was trapped underneath her mount, when it stumbled and collapsed after pulling up from a 400 yard quarter horse race.

The following page is to honor the lives and families of Kyle Nolan & Savannah Fleming. Our condolences go out to their family and friends, as we pray they find peace and comfort with fond memories of these two young adults. They will always remain beautiful and forever young in our hearts.

In Loving Memory

Kyle Stephen Nolan

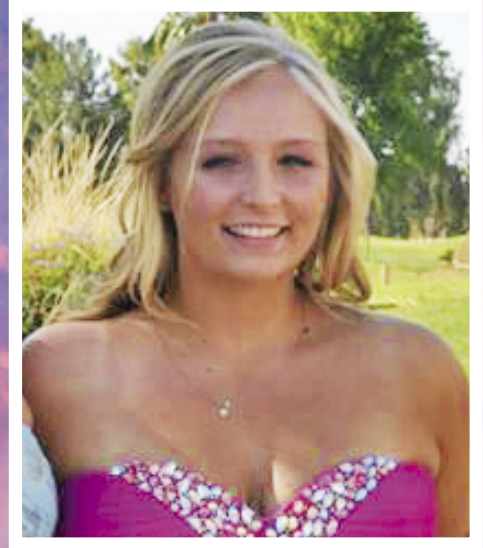

August 1990 - September 2014

Cheers

*Here's to the crazy ones, the misfits, the rebels,
the troublemakers, the round pegs in square holes...
The ones who see things differently -- they're not fond
of rules... You can quote them, disagree with them,
glorify or vilify them, but the only thing you can't
do is ignore them because they change things...
they push the human race forward, and while
some may see them as the crazy ones, we see genius,
because the ones who are crazy enough to think that
they can change the world, are the ones who do.*

Quote by: Steve Jobs

*Kyle lived by these words. He was one of the few
crazy enough to change the world!*

Savannah Marie Fleming

July 1996 - October 2014

*Do not stand at my grave and weep,
I am not there, I do not sleep*

I am a thousand winds that blow,

I am the diamond's glint on the snow.

I am the sunlight on ripening grain.

I am the gentle autumn's rain.

*When you awaken in the morning's hush,
I am the swift uplifting rush
of quiet birds in circled flight.*

I am the soft stars that shine at night.

*Do not stand at my grave and cry,
I am not there... I did not die.*

The JOCKEY CLUB Releases 2014 Report of Mares Bred Statistics

The Jockey Club today released Report of Mares Bred (RMB) statistics for the 2014 breeding season. Based on RMBs received through October 13, 2014, The Jockey Club reports that 1,547 stallions covered 34,540 mares in North America during 2014.

The annual statistics represent approximately 92% of the mares that eventually will be reported as bred in 2014. According to historical trends, The Jockey Club expects to receive RMBs representing an additional 2,000 to 3,000 mares bred during the 2014 breeding season.

The number of stallions declined 8.9% from the 1,698 reported at this time in 2013, and the number of mares bred increased 1.1% from the 34,174 reported at this time last year.

The number of stallions covering 100 or more mares increased from 88 in 2013 to 97 in 2014. These stallions accounted for a greater percentage of the total mares reported bred this year — 36.4% of all mares bred in 2014 versus 34.0% of all mares bred in 2013 as reported at this time last year. RMB statistics for all reported stallions in 2014 are available through the Fact Book section of The Jockey Club's website at jockeyclub.com.

Further book size analysis shows an 8.3% increase in the number of mares bred to stallions with a book size of 100 or more in 2014 when compared to 2013 as reported at this time last year; a 12.9% increase in mares bred to stallions with a book size between 75 and 99; a 4.8% decrease in mares bred to stallions with a book size between 50 and 74; a 1.2% increase in mares bred to stallions with a book size between 25 and 49; and a 9.2% decrease in mares bred to stallions with a book size fewer than 25.

The stallion Kitten's Joy led all stallions with 204 mares bred in 2014. Rounding out the top five were Into Mischief, 203;

Scat Daddy, 202; Midnight Lute, 186; and Violence, 181.

Kentucky traditionally leads North America in Thoroughbred breeding activity. During 2014, Kentucky's 233 reported stallions covered 16,826 mares, or 48.7% of all of the mares reported bred in North America. The number of mares bred to Kentucky stallions increased 7.2% percent compared with the 15,695 reported at this time last year.

Of the top 10 states and provinces by number of mares reported bred in 2012, Kentucky, Florida, and California, New York, and Maryland stallions covered more mares in 2014 than in 2013, as reported at this time last year. The following table shows the top 10 states, ranked by number of mares reported bred in 2014 through October 13:

Note: Each incident in which a mare was bred to more than one stallion and appeared on multiple RMBs is counted separately. As such, mares bred totals listed in the table above may differ slightly from counts of distinct mares bred.

In addition, Report of Mares Bred information on stallions that bred mares in North America is available through report 36P or a subscription service at equineline.com/ReportOfMaresBred.

ARIZONA STALLION OWNERS

Keep your Stallions progeny eligible!

Stallion owners:

Any stallion that stands the entire breeding season in Arizona, and files a copy of the The Jockey Club Report of Mares bred for that breeding season with the ATBA office, that stallion (s) offspring will be eligible to race in the Stallion Stakes Derby.

What this means to you as a stallion owner:

All 2015 foals of Arizona Stallions (standing the full 2014 breeding season in Arizona) will be eligible to enter the 2018 Stallion Stakes Derby. This should create an exciting race as there are no early nominations, or late fees.

Stallion owners must send a copy of the Jockey Club Report of Mares Bred to the ATBA office each breeding season. This is mandatory if your stallions offspring is to have the opportunity to participate.

Foals need not be Arizona-bred, but must be by a stallion standing the full season in Arizona and a copy of the Report of Mares bred on file with the Arizona Thoroughbred Breeders office.

**The Arizona Stallion Stakes Derby is a restricted race
for the offspring of Arizona Stallions.**

If you have any questions do not hesitate to call the ATBA office, (602) 942-1310
